CARE OF SOFT LINER LYNAL

- Keep denture in place as long as possible for the first 24 hours.
- **Do not** do any hard chewing for the first 24 to 48 hours.
- **Do not** set denture on the lining side until it is firm.
- After 3 days, soak your denture in denture cleaner for 8 to 10 minutes **only**.
- When cleaning, **do not** brush the liner. Rinse the denture with water and brush the denture teeth **only**. After 3 days it can be lightly brushed.
